# Before the ServSafe® Examination

## *Examinee Rights and Responsibilities*

By complying with and enforcing these rights and responsibilities, you, the examinee, help maintain the integrity of the ServSafe Certification Program and the value of your certification.

### **Rights**

- Respectful and fair treatment regardless of race, religion, age, disability, gender, sexual orientation, or any other personal characteristics or beliefs.
- Availability of Exam Accommodation Request Forms and Request for Foreign Language Translations for review and approval of testing accommodations for ADA-recognized disabilities.
- A comfortable examination location, complete with adequate lighting, writing surfaces, seating, heating/cooling, and ventilation, that is ADA compliant.
- Trained individuals who follow a professional code of ethics for administering the examination.
- Confidentiality of examination scores to the extent allowed by law.

### **Responsibilities**

- Know and accept the consequences of taking or not taking the Examination, or not fully completing the Examination.
- Follow all examination instructions and represent yourself honestly during the administrations of the exam.
- Treat others with courtesy and respect during the examination process.
- Be familiar with and accept the consequences of your actions should you be caught cheating or acting in an otherwise unethical manner during the examination process.
- Assist with any Association inquiries regarding your class and/or examination experience.
- Tell your Instructor or Proctor if you have difficulty understanding the language of your Examination.
- Report any unethical or inappropriate actions to the Association's Exam Security department toll-free at 888.291.6462 or by email at [servicecenter@restaurant.org](mailto:servicecenter@restaurant.org).
- Know when and where the Examination will be given, pay for the Examination if required, appear on time with any required materials, and be prepared for the Examination.
- Inform your Instructor, Proctor, the Association or the organization responsible for administering your Examination, if you believe the examination conditions affected your score.

### **Fees**

Before you sign up for the Examination, check with your Instructor, Proctor, the organization administering the Examination, or your employer to discuss any fees.

### **Materials**

Before you sign up for the Examination, check with your Instructor, Proctor, the organization administering the Examination, or your employer to determine what materials you need.

The Association recommends the following examination preparation materials.

- For Classroom Study  
Read and study the *ServSafe® Essentials* textbook or the *ServSafe® Coursebook*.
- For Online Study  
Complete the ServSafe Manager Training Online Course.

If you are instructed to purchase your own materials, please call our Customer Care Center at 800.765.2122, or visit [www.ServSafe.com](http://www.ServSafe.com) to order your materials online, or contact your State Restaurant Association if you do not know what course you should take.

You are responsible for bringing these materials to your examination location.

- Photo ID with signature—*driver's license, state ID, student ID, military ID, employee ID, green card, or valid passport*. You cannot use a photocopy. You cannot take the Examination without a valid photo ID.
- A few #2 lead pencils that have been sharpened.
- Bilingual dictionary—only if English is not your native language. No pieces of paper or writing should be in the dictionary. The proctor will check the dictionary prior to the exam administration. Electronic dictionaries are not allowed.

Do not bring food or drink into the testing location.

## ***Examination Accommodations: Identifying Examinees with Special Needs***

Examinees should notify the Proctor at least 10 business days prior to the examination date, allowing the Proctor enough time to obtain approval from the Association and to prepare for the accommodation. If, at the time of the Examination, an examinee requests an accommodation that has not been pre-approved by the Association, the examinee can either postpone the Examination to another date OR take the Examination without the requested accommodation. *Below are just some examples of accommodations and is not intended to be all inclusive.*

### ■ **Examinees with Disabilities**

The Association provides reasonable accommodations to individuals with disabilities following procedures that are consistent with the Americans with Disabilities Act, Uniform Guidelines on Employee Selection Procedures and *the Standards for Educational and Psychological Testing*. This includes alternate test formats (e.g., oral instead of written) and test aids (e.g., readers or large-print booklets). If the examinee requires reasonable accommodations, we encourage the examinee or Proctor to submit a completed *Request for Exam Accommodation* with supporting documentation for review and approval to provide accommodations during exam administration.

### ■ Foreign Language Translations

An examinee with limited proficiency in English is permitted to hire and pay for a qualified interpreter to assist the Proctor in administering the Examination. The interpreter needs to be fluent in both English and the examinee's native language. The interpreter may have no personal relationship with the examinee. The interpreter also may not interpret subjective opinions or provide cues to the examinee. Examinees who want to use an interpreter must submit a *Request for Foreign Language Translation* 10 business days prior to the examination date, listing the credentials of the interpreter. If the request is denied, an *Appeal Request Form* can be submitted within 30 days of the denial.

Examinees who want to take the Examination in English are permitted to use a bilingual English native language dictionary (e.g., English-Spanish) while completing the Examination.

### ■ Literary Deficiencies

Examinees with literacy deficiencies may apply for a special accommodation by completing the *Request for Examination Accommodation* and submitting it with an official report documenting the deficiency to the Association at least ten business days prior to the scheduled examination date. If the request is denied, an *Appeal Request Form* can be submitted within 30 days of the denial.

## Pre-Work

- Read the *ServSafe® Essentials* textbook or the *ServSafe® Coursebook* before you get to class. Take notes while you read.
- Work through all the activities and study questions. Check your answers to see which areas you have difficulty with. Make notes so you can pay extra attention to those areas during class.

## When You Arrive

- Present your photo ID with signature to the Examination Proctor. You cannot use a photocopy. You cannot take the Examination without a valid photo ID.
- Your Proctor will retain your ID during the examination.
- Sign in on the Examinee Entry/Exit Log. Any time you leave the room during the examination, including restroom breaks, you must sign this log.
- Store personal items, such as cell phones, cameras, pagers, calculators, PDAs, computers, and bags/purses away from your examination seat.
- Due to Examination Security requirements, you will be assigned a seat.
- Read the *Examinee Test Use Agreement*. A copy of this agreement is provided in **Appendix A**.
- **Wait for permission from the Proctor to start the Examination.** Starting the Examination without permission from the Proctor will result in disqualifying you from completing the Examination and removal from the examination room.

## During the ServSafe® Examination

### ServSafe® Examination Overview

- Follow all of the Proctor’s instructions.
- The ServSafe® Examination has 90 multiple-choice questions. **Answer all 90 questions.**
- A passing score is 70 percent or better.
- All Examinations and examination materials must be returned to the Proctor after two hours from the start of the Examination.
  - The only allowable reason for a Proctor to grant additional time to an Examinee is if an *Request for Exam Accommodation* has been approved for this allowance.
  - The average length of time to complete the exam is approximately 1 ½ hours.
  - You can skip questions and go back to answer them later.
  - You do not have to answer questions in order.
- Never leave a question blank. Blank answers are scored as wrong. There is no penalty for guessing if you are not certain of an answer.
- Do not talk with other examinees. If you do, your Examination and the other examinee(s) may be taken away. You will need to take the examination again at another time.
- An examinee who needs to leave during the examination will not be allowed to return and a retest will need to be scheduled for another time. You may submit an *Appeal Request Form* to determine if you will be eligible for a refund, through the Association, for the *Examination Answer Sheet* or Seat Registration Number.
  - **Print Based** The Proctor will collect the examinee’s examination materials; return their ID and personal belongings.
  - **Online** The examinee will close the browser, the Proctor will return their ID and personal belongings.
- Only one examinee at a time may go to the restroom during the examination. You are not allowed to access any of your personal effects during the break. The Proctor will keep track of how long the examinee is gone; if they are gone for an extended period of time, it will be recorded as an irregularity.
  - **Print Based** The Proctor will collect the examination material before the examinee leaves and will return the same materials upon the examinee’s return.
  - **Online** Examinees should close the browser before leaving the room. Upon return, the Proctor will take them back to the “Welcome Examinee” screen and have the examinee re-enter their Seat Registration Number. The Proctor will then need to re-enter the Proctor Access Code. Anything answered previously has been recorded; examinees can proceed to the question where they stopped.

### Print-Based *Examination Answer Sheet*

- Return your *Answer Sheet* and your sealed Examination Booklet to the Proctor.
- Make sure your name and email address (if available) is on your *Examination Answer Sheet*. If you provide your email address, the Association will send you an email notifying you that your score is ready to be viewed online at [www.ServSafe.com](http://www.ServSafe.com).

### Print-Based Examination

For this examination, you will use two documents:

1. *Examination Answer Sheet*
2. *Examination Booklet*—the Proctor will provide one for each examinee

### Examination Answer Sheet

The ServSafe® *Examination Answer Sheet* is a circle answer sheet. You will give your answers by filling in circles using a #2 lead pencil.

Darken each circle completely. If you decide to change an answer, erase the original answer completely. Incomplete erasing, stray marks, or multiple responses on the Examination Answer Sheet could result in incorrect scoring.

The circle is always to the right of its letter. You must completely fill in the circle that corresponds with your answer. An example has been provided for you below.

**Please completely fill in the bubble which corresponds with your answer.**

### Examination Booklet

Your ServSafe® *Examination Booklet* will be sealed when you receive it. Before you break the seal and open the Booklet, you must read and accept the *Examinee Test Use Agreement* on the cover. If you do not want to accept the agreement (and not take the Examination), then you must return the Booklet to your Proctor, unopened.

You can read the *Examinee Test Use Agreement* in **Appendix A** of this Handbook.

## About ServSafe Examination Scoring and Certification

### Scores

Your score will be available on [www.ServSafe.com](http://www.ServSafe.com) in three to four business days after the Association receives your *Answer Sheet* from your Proctor. This process typically takes about 10 days, but can be longer or shorter depending on how quickly the Proctor submits your *Answer Sheet* for scoring.

**Please note, due to Examination Security Requirements your examination results cannot be provided over the phone or sent through e-mail.**

Access your score three ways.

1. Register or sign in on [www.ServSafe.com](http://www.ServSafe.com). You will need your ServSafe *Exam Session Number* or Score Access Code sent in your notification email.
2. Contact your Proctor.
  - One business day after scores are posted on [www.ServSafe.com](http://www.ServSafe.com), score reports and Certificates are available to be viewed and printed by your Instructor or Proctor.
3. To receive your score if you do not have your class number and cannot contact your Instructor or Proctor, you may select **Check My Score** in the blue ribbon under the **ServSafe Manager** tab, and enter your Last Name and one of either your Score Access Code from the Examination Answer Sheet or the Exam Session Number that your proctor provided.

### Scoring Errors

If you believe the Association made an error in the score of your Examination, your Proctor must submit a *Answer Sheet Review Form*.

This form must be sent to the Association by your Proctor within 30 days of when you first received your score.

Requests are processed within five business days of receipt. Your Proctor will be contacted directly about the results.

## Retesting

You may take the exam twice within a 30-day period, if necessary. If three or more attempts are required, you must wait at least 60 days from your last attempt. No more than Four attempts are allowed in a 12-month period.

Not passing the Exam is the only legitimate reason to retake the Exam

## Certificate Errors

If you believe the Association made an error in the processing of your answer sheet resulting in a failed score, you must submit an *Answer Sheet Review Form*.

*Answer Sheet Review Forms* must be sent to the Association within 30 days of when you first received your score. You must also have the name of your Proctor, your examination date, and your Examination Class Number (your Proctor should provide this).

To download the *Answer Sheet Review Form*, visit [www.ServSafe.com](http://www.ServSafe.com), click on the “Administrators” tab, then click on “Administrator Support Materials” and click on the corresponding link to download the form. Complete the form and then fax or mail it to the Service Center.

## Renewing Your Certification

Check with your local regulations for recertification requirements.

## Meeting Regulatory Requirements

While the ServSafe® Food Protection Manager Certification is nationally accredited, some local laws require training time in addition to passing an examination. If you need to be certified or recertified, or you have moved and do not know what may be required of you, check with your local regulatory authority.

## Certificate Revocation or Denial

The Association reserves the right to revoke or deny any certification based on security violations. Anything that compromises the validity, reliability, security, or integrity of the ServSafe Examination Program can result in revocation or denial to award a Certificate.

## Appeals

Any examinee who is denied eligibility to sit for the Examination, is denied accommodation, failed the Examination, had the Examination terminated due to cheating, has had a Certificate revoked, or believes there is an error with a question in the Examination, can appeal the decision. You must submit a written request to the Association's Service Center within 30 calendar days of notification of the revocation or denial.

To submit an appeal, visit [www.ServSafe.com](http://www.ServSafe.com), click on the "Administrators" tab, then click on "Administrator Support Materials," and then click "Exam Admin, Info and Documents." Download the "*Appeal Request Form*." Complete the form and then email it to the [courseadminfax@restaurant.org](mailto:courseadminfax@restaurant.org).

Once the Service Center receives your request, it will be reviewed along with any other documentation related to the appeal. A final decision on the appeal will be made within 30 days of receiving your request. The final decision will be sent in writing within 10 days after that, via traceable mail, to whoever submitted the appeal.

## Duplicate or Replacement Certificates

A replacement eCertificate can be reprinted by accessing the certificate on ServSafe.com from your profile by selecting **SCORES or CERTIFICATES** from the blue ribbon at the top of the page. You may print as many copies as needed for as long as the certificate is valid.

If you prefer to have a physical copy of your certificate sent in the mail, you may do so for an additional fee. Provide payment for the \$10 fee and update your shipping address information, and you will receive your certificate within 7 to 10 business days.
