How to Sign Up for a Free ChatGPT Account

Obtaining a free ChatGPT account is simple and quick. Follow these steps to get started. If you need help, please contact me!

1. Visit the ChatGPT Website

1. Open your preferred web browser (e.g., Chrome, Firefox, Safari).
2. Go to the ChatGPT official website: https://chat.openai.com.

2. Click on "Sign Up"

1. On the homepage, click the **"Sign Up"** button, usually located in the top-right corner.

3. Create Your Account

1. **Choose Your Sign-Up Method**:
   a. **Email Address**: Enter a valid email address and create a password.
   b. **Google Account**: Click the Google sign-in option to use your existing Google credentials.
   c. **Microsoft Account**: Click the Microsoft sign-in option if you prefer to use a Microsoft account.
2. **Verify Your Email**:
   a. If you sign up using an email address, check your inbox for a verification email from OpenAI.
   b. Click the verification link provided in the email.

4. Complete Your Profile

1. After verifying your email, you may be prompted to provide additional details:
   a. Your name.
   b. A phone number for identity verification (optional but recommended for account recovery).

5. Start Using ChatGPT

1. Once your account setup is complete, you can log in using your email and password (or Google/Microsoft credentials).
2. You'll have access to the free tier of ChatGPT, which provides:
   a. Standard functionality.
   b. Limitations on daily usage (if any), depending on OpenAI's policies.
3. We'll discuss features included with a paid account during the class, but for now, I recommend using the free version.
